ABOUT ME

I'm a frontend developer with over a year and a half of work experience. I have moderate experience and skills in all stages of web development and am fully familiar with the user interface process

EDUCATION

Bachelor of computer | Bardaskan azad university   **2018 - 2022**

EXPERIENCE

Frontend developer | Weton | https://metanext.biz/   **2023 - Present**

I worked as a front-end developer at **Weton**, responsible for the **HRM** section of an integrated system.

- Developed, maintained, and troubleshot **HRM** software solutions.
- Collaborated with cross-functional teams to define requirements and deliverables.
- Conducted system tests and prepared project documentation.
- Provided technical support and training to end-users.
- Ensured compliance with quality standards and participated in code reviews.

Frontend developer | Larisa | https://web.larisapooshak.com/   **2023 - 2024**

As a front-end developer, I collaborated with the team to build and develop the **Larisa** website . Notably, we utilized **NextJS** as our framework and **Material-UI (MUI)** to create a seamless user experience.

SKILLS & ABILITIES

- Solid principle
- Design pattern
- Clean code

- Git
